

- **VersaCap®** technology provides the flexibility of interchangeable connectors
- **EZclear®** body features advanced ergonomic design
- **EZclear®** wide-mouth design for easy filling and cleaning
- **VersaBarb®** technology provides interchangeable spigot options
- **Made in the USA** 

### Caution

- Do not use carboys under pressure or full vacuum
- Do not use carboys at temperatures greater than the rated maximum
- Do not store oxidizing agents in carboys
- Do not flame carboys
- Do not use carboy spigot as a handle
- Do not expose to organic compounds. Carboy will become prone to stress fracturing

Foxx Life Sciences' **EZclear®** Carboy is an advanced fluid handling system developed with the end-user in mind. The ergonomically designed **EZclear®** body is coupled with our **VersaCap®** technology to provide the user an easy-to-use and easy-to-clean carboy.

The Copolyester Carboy is made from a clear, BPA-free, USP Class VI, FDA Grade resin. This Carboy is suitable for aqueous solutions, as well as most life sciences buffer solutions.

The **EZclear®** Carboy's body includes design features that allows the user to easily hold and manipulate during lifting, filling, and pouring. The **EZclear®** Carboy features include large top handles, molded hand grips in the base, easy-to-read metric graduation marks certified to  $\pm 5\%$  accuracy, and molded-in material identification markings.

The Copolyester 20L Carboy offers an **EZfil™** 120mm neck to simplify filling and cleaning, while all other sizes feature an 80mm neck. All carboys are compatible with our **VersaCap®** technology for interchangeable top connections.

- 1 Novel shape maximizes bench and shelf space
- 2 Bottom handles provide a secure grip while lifting and transporting
- 3 Molded-in carboy identification marks
- 4 Large, clear graduation marks with  $\pm 5\%$  accuracy
- 5 Autoclavable spigot and **VersaBarb®** technology
- 6 **VersaCap®** technology with versatile adapters and replaceable gaskets
- 7 **EZclear®** body design allows for maximum solution recovery
- 8 **EZclear®** wide-mouth shape simplifies filling and cleaning
